The Indian Valley Public Library provides meeting room space for library programs and for other meetings and programs of an informational, educational, cultural, or civic nature. The library provides this space as a public service and does not endorse the view or opinions of groups utilizing these facilities.

Eligible Meeting Room Use

1 Library-sponsored activity has priority over all non-library activities held in the meeting rooms. The library, therefore, reserves the right to cancel any scheduled activity up to 24 hours before the scheduled activity, should circumstances warrant the library's need for the space.

2 Meeting rooms can be reserved on a first-come, first-served basis, whether or not a fee for use is involved. The room may be booked no more than twice a month by any organization without permission from the Director.

3 Use of the meeting rooms may be reserved up to six months in advance.

4 Use of the meeting rooms by educational institutions or organizations wishing to charge tuition for instruction must be approved by the Director.

5 Meetings and events held in the meeting rooms, except those approved by the Director, must be open to the public and free of charge.

6 All meetings must be held during the library's hours of operation. Any group wishing additional hours are required to have a staff member's presence at a reimbursement rate set by the Director.

7 Meeting rooms are not available for any of the following reasons:

To hold religious services;

For political campaigning;

To solicit funds;

As a headquarters for any organization;

As a mailing address;

Or when, in the opinion of the Director, the use of the room might endanger public safety or cause disorder or not align with the purpose and mission of the library.

8 Persons 18 years of age or older may reserve the meeting room.

9 Individuals or those affiliated with human services organizations meeting with minors or vulnerable populations must provide current child abuse clearances at the time of the application for all adults that will be present in the meeting room. IVPL will keep all clearances on file.

Fees

1 The use of meeting rooms is free of charge to non-profit, civic, social, cultural, educational, and government organizations, as long as the meetings or programs they hold are open to the public, free-of-charge, and not held with the intention of generating revenue.

2 Commercial firms needing space for conferences or workshops may reserve the meeting room, with the approval of the Director, at a fee established on an annual basis.

Fee (as of 2014): \$35 for individuals (birthday parties, etc)
\$50 for commercial use

Fee covers morning, afternoon, or evening use.

3 Payment (or a billing arrangement) must be made at the time of reservation. Any group that fails to pay its bill within 30 calendar days of being billed will be denied meeting-room use privileges until the account is cleared.

4 The group using the room shall be responsible to pay the library the cost of repair or replacement, as determined by the Director, of any library items that are broken or damaged and shall hold the library harmless and defend the library from any claims or liabilities caused by the group's use.

Room Arrangement and Size

1 Chairs and tables are available. Each organization handles its own room set-up and may arrange the furnishings as needed, as long as they are not at risk of damage. Walls may not be used for mounting or hanging pictures and displays, except for the blue-panel walls in the Community Room West (where push pins may be used).

2 The Community Room can hold up to 75 chairs and tables, or half that number for the East and West sections. A TV with DVD player is generally available for use.

3 Organizations which serve refreshments are responsible for any clean-up needed. Any group wishing to use a coffee pot or other library-owned kitchen equipment must receive permission. Trash and garbage should be removed from the building.

4 Organizations which use the meeting room for exhibits should ensure the safety of exhibit items by making their own security arrangements. The library is not responsible for the safety of materials on exhibit.

5 Smoking is prohibited in all areas of the library. Alcohol and illegal drugs are also prohibited. Pets and animals, other than necessary guide animals, are not allowed.

Procedures

1 Organizations wishing to reserve a meeting room must complete the "Application for Meeting Room Use" which is then signed by the Director and kept on file at the Reference Desk.

2 Representatives of each group shall check in at the Reference Desk before each meeting and then check out when they leave.

3 All tables, chairs, and other equipment shall be returned to the location where they were found upon arrival. A group using a room is expected to pick up any litter and properly dispose of all trash, vacuum when needed and verify that all personal belongings are removed at the conclusion of use of the room.

4 Abuse of the library's meeting room policies or procedures will result in the withdrawal of the privilege to use the room.

5 A \$20 charge will be assessed if a room is not vacated by the scheduled time.

6 Charges for room use should be paid when the room is reserved.

7 In the event of inclement weather that causes the closing of the library, the rental will automatically be deemed to be cancelled too.

Publicity

Publicity for any event in the meeting rooms must clearly state that the organization is the sponsor and the library is the location. Further, the library's telephone number is **not to** be included in any news releases or flyers publicizing the event.

Policy

The Board may modify, amend, or supplement this policy (and any rules and regulations) as it deems necessary. At its discretion, the Board may exempt itself, or any other organization, as the Board deems appropriate, from the restrictions and requirements of this policy.
