

Grant Funding Announcement

As funding for Indian Valley Public Library decreases while costs rise, we are committed to seeking additional private and foundation funding. We are pleased to report that so far this year, we have received two grants: one from the Chester County Community Foundation and one from the VNA Foundation of Greater North Penn.

JONAS C., MARIAN D., AND ROBERT H. ERB CHARITABLE FUND

Administered by the Chester
County Community Foundation

The Erb Charitable Fund was established to honor the legacy of Robert H. Erb, who worked at Montgomery County Community College as an evening librarian for 45 dedicated years. He would often stay on campus after work hours to help students with their studies and encourage them to remain committed to their college endeavors.

Indian Valley Public Library has been granted \$50,000 for restoring cuts to collections, allowing for more books, DVDs, and other materials. Part of the funds will also cover the escalating building repair costs.

The VNA Foundation of Greater North Penn is a private grantmaking foundation that invests in nonprofit organizations working to enhance the health and well-being of people in the Greater North Penn region of Montgomery County, Pennsylvania. They have been a great supporter of IVPL over the years.

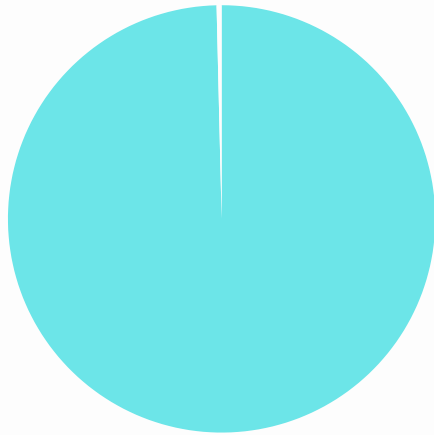

IVPL was awarded \$2,500 for general operating costs which will assist the library in keeping the doors open and the lights on.
